

Two Hoots Glamping Shepherd's Huts

Lazy Days & Keepers Cosy, our twin Shepherd's Huts, are fully-equipped for a cosy break at any time of year, whatever the weather. There's everything you need from the luxuriously deep king-size bed to wine glasses for that celebratory bubbly. Whether you just need to get away for a few days, or want somewhere memorable to spend that special occasion, our huts will not disappoint.

Fully-insulated and fully-equipped, our huts have everything you need for a little well-earned rest and relaxation.

The covered veranda provides an outside area with shade from the sun or shelter from the rain (sorry, we can't guarantee the weather). Or chill out and have a duvet day with your favourite DVD.

On those chilly winter days the log burning stove provides more than enough heat to warm your toes after exploring nearby Alresford or the Christmas market in Winchester.
